

What Our Clients Say...

“We are filing one employment Class Action per month from leads we’ve received from LawyersandSettlements.com.”

“I’ve spent 10 times this on my own web marketing and you give me 10 times the results.”

“We used several Internet sites and yours is the most effective.”

“Your service has been extremely valuable to my practice.”

“I will be doing 2 individual cases and one class action. All this from leads in the first 2 months of advertising with Online Legal Marketing.”

Get Leads Tomorrow.**

Online Legal Marketing delivers best-in-class web-based marketing for lawyers and law firms. With OLM flexible lead generation programs, you can create a lead marketing plan that fits your needs—and your budget. You can even sign up today, and start getting leads tomorrow.

At OLM we know web marketing, and we know the legal industry. We started connecting lawyers with leads over 12 years ago, and since that time we've established a track record as one of the best lawyer marketing firms in the industry by:

- Delivering hundreds of thousands of highly qualified leads for lawyers
- Publishing top-ranked websites, with over 80,000 pages of targeted legal news content
- Attracting over 3 million visitors, with over 85 percent new visitors each year
- Earning the trust of hundreds of attorney clients along the way

LEADS FOR LAWYERS. LEGAL MARKETING FOR LAW FIRMS.
